If "NO" circle "DOES NOT MEET MINIMUM REQUIREMENTS" at the end of this section

**Circle if appropriate:**

DOES NOT MEET MINIMUM REQUIREMENTS

## STAGE 2: “STRENGTH OF PROPOSAL”

Provide a narrative review of the strengths and weaknesses of the proposed project. This review should reflect technical strength and thoroughness of the applicant in addressing the following criteria in their project description and supporting submittals.

1. Project objectives,
2. Project has been identified in a Remedial Action Plan and is ready to be implemented,
3. Justification for action,
4. Stakeholder involvement and support,
5. Supports development of remedial alternatives pursuant to the Great Lakes Legacy Act,
6. Ability to leverage funds from non-governmental sources,
7. Coordination with all applicable regulatory agencies
8. Experience and ability to perform proposed work,
9. Reasonableness of budget,
10. Monitoring/assessment projects focusing on post-remediation investigations, and
11. Soundness of approach, including scientific viability of the project.

Provide narrative review below:

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
